# MATHEMATICS

1 Colour any two shapes from each set which help you to complete the sum.

Three circles containing various shapes. Below each circle is a cloud with a math problem. The first cloud contains the number 24, the second contains 40, and the third contains 28. Each problem is represented by a horizontal line with a double underline on the right side, indicating a missing number in an addition or subtraction problem.

2 Look at the shapes from left to right below. Follow the directions and colour the shapes.

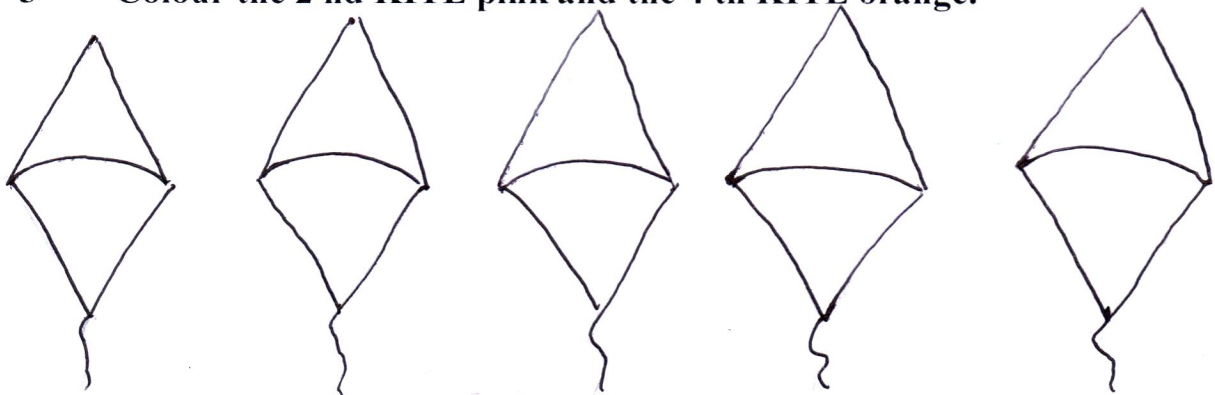

1 Colour the 3rd STAR blue and 5th STAR red.

2 Colour the 1st TREE Green and the 6th TREE Yellow.

3 Colour the 2nd KITE pink and the 4th KITE orange.

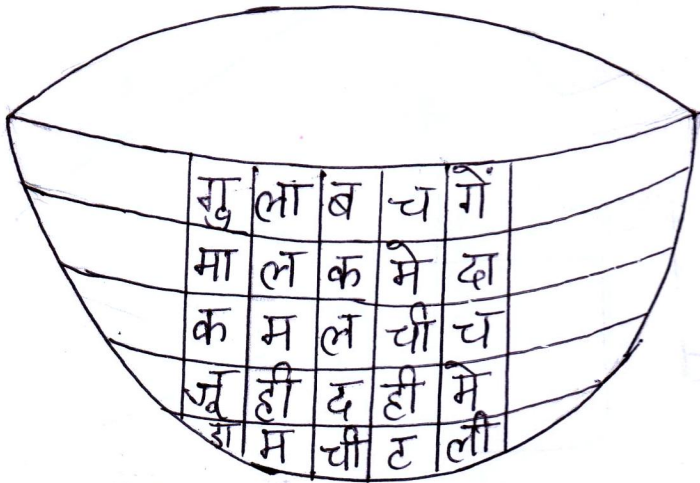

# HINDI

1 चित्र बनाओ।

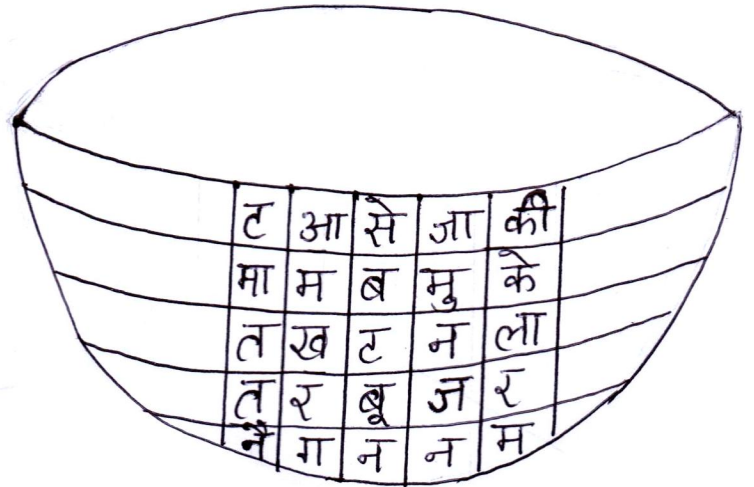

|       |  |
|-------|--|
| कमल   |  |
| भवन   |  |
| बस    |  |
| तितली |  |
