MATHEMATICS

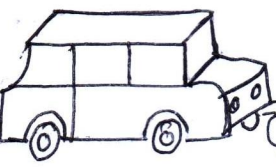

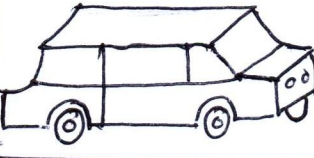

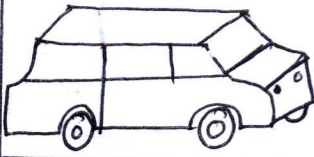

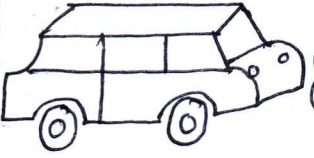

1 Count and write the correct number in the blanks.

2 Colour the objects which is 'Big' and circle the object that is small.

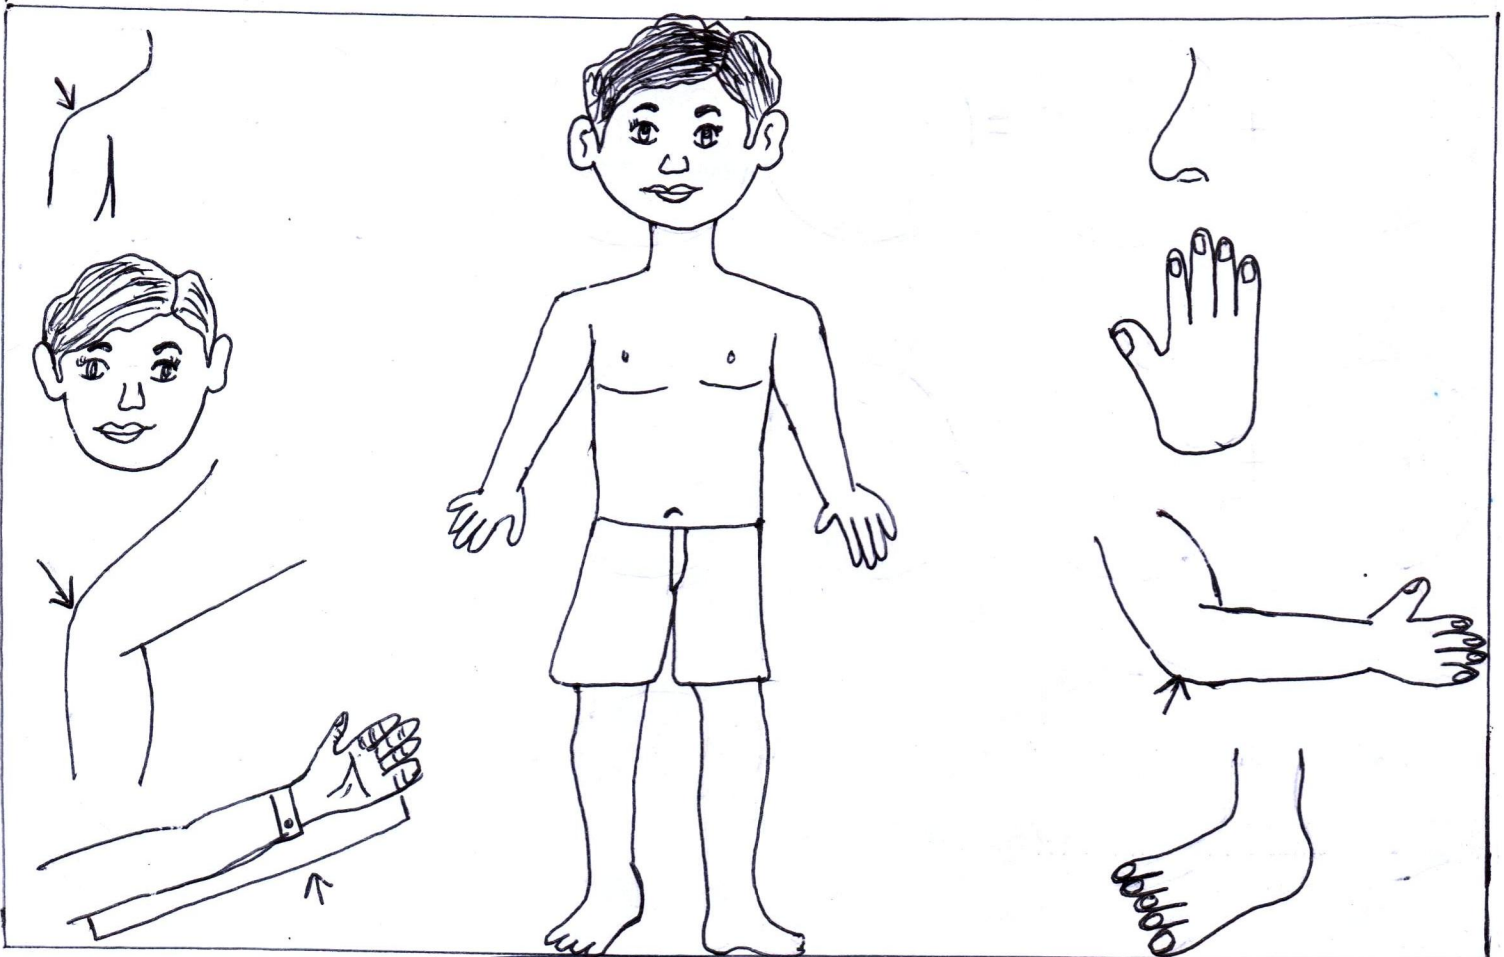

3 Tick (✓) and colour the object that is tall
and circle the object that is short.

	5			8			
	11		13				17
	23				26		29
	34		36				40
	44		46				50

GENERAL AWARENESS

- 1 Identify and draw a line to match the body parts.

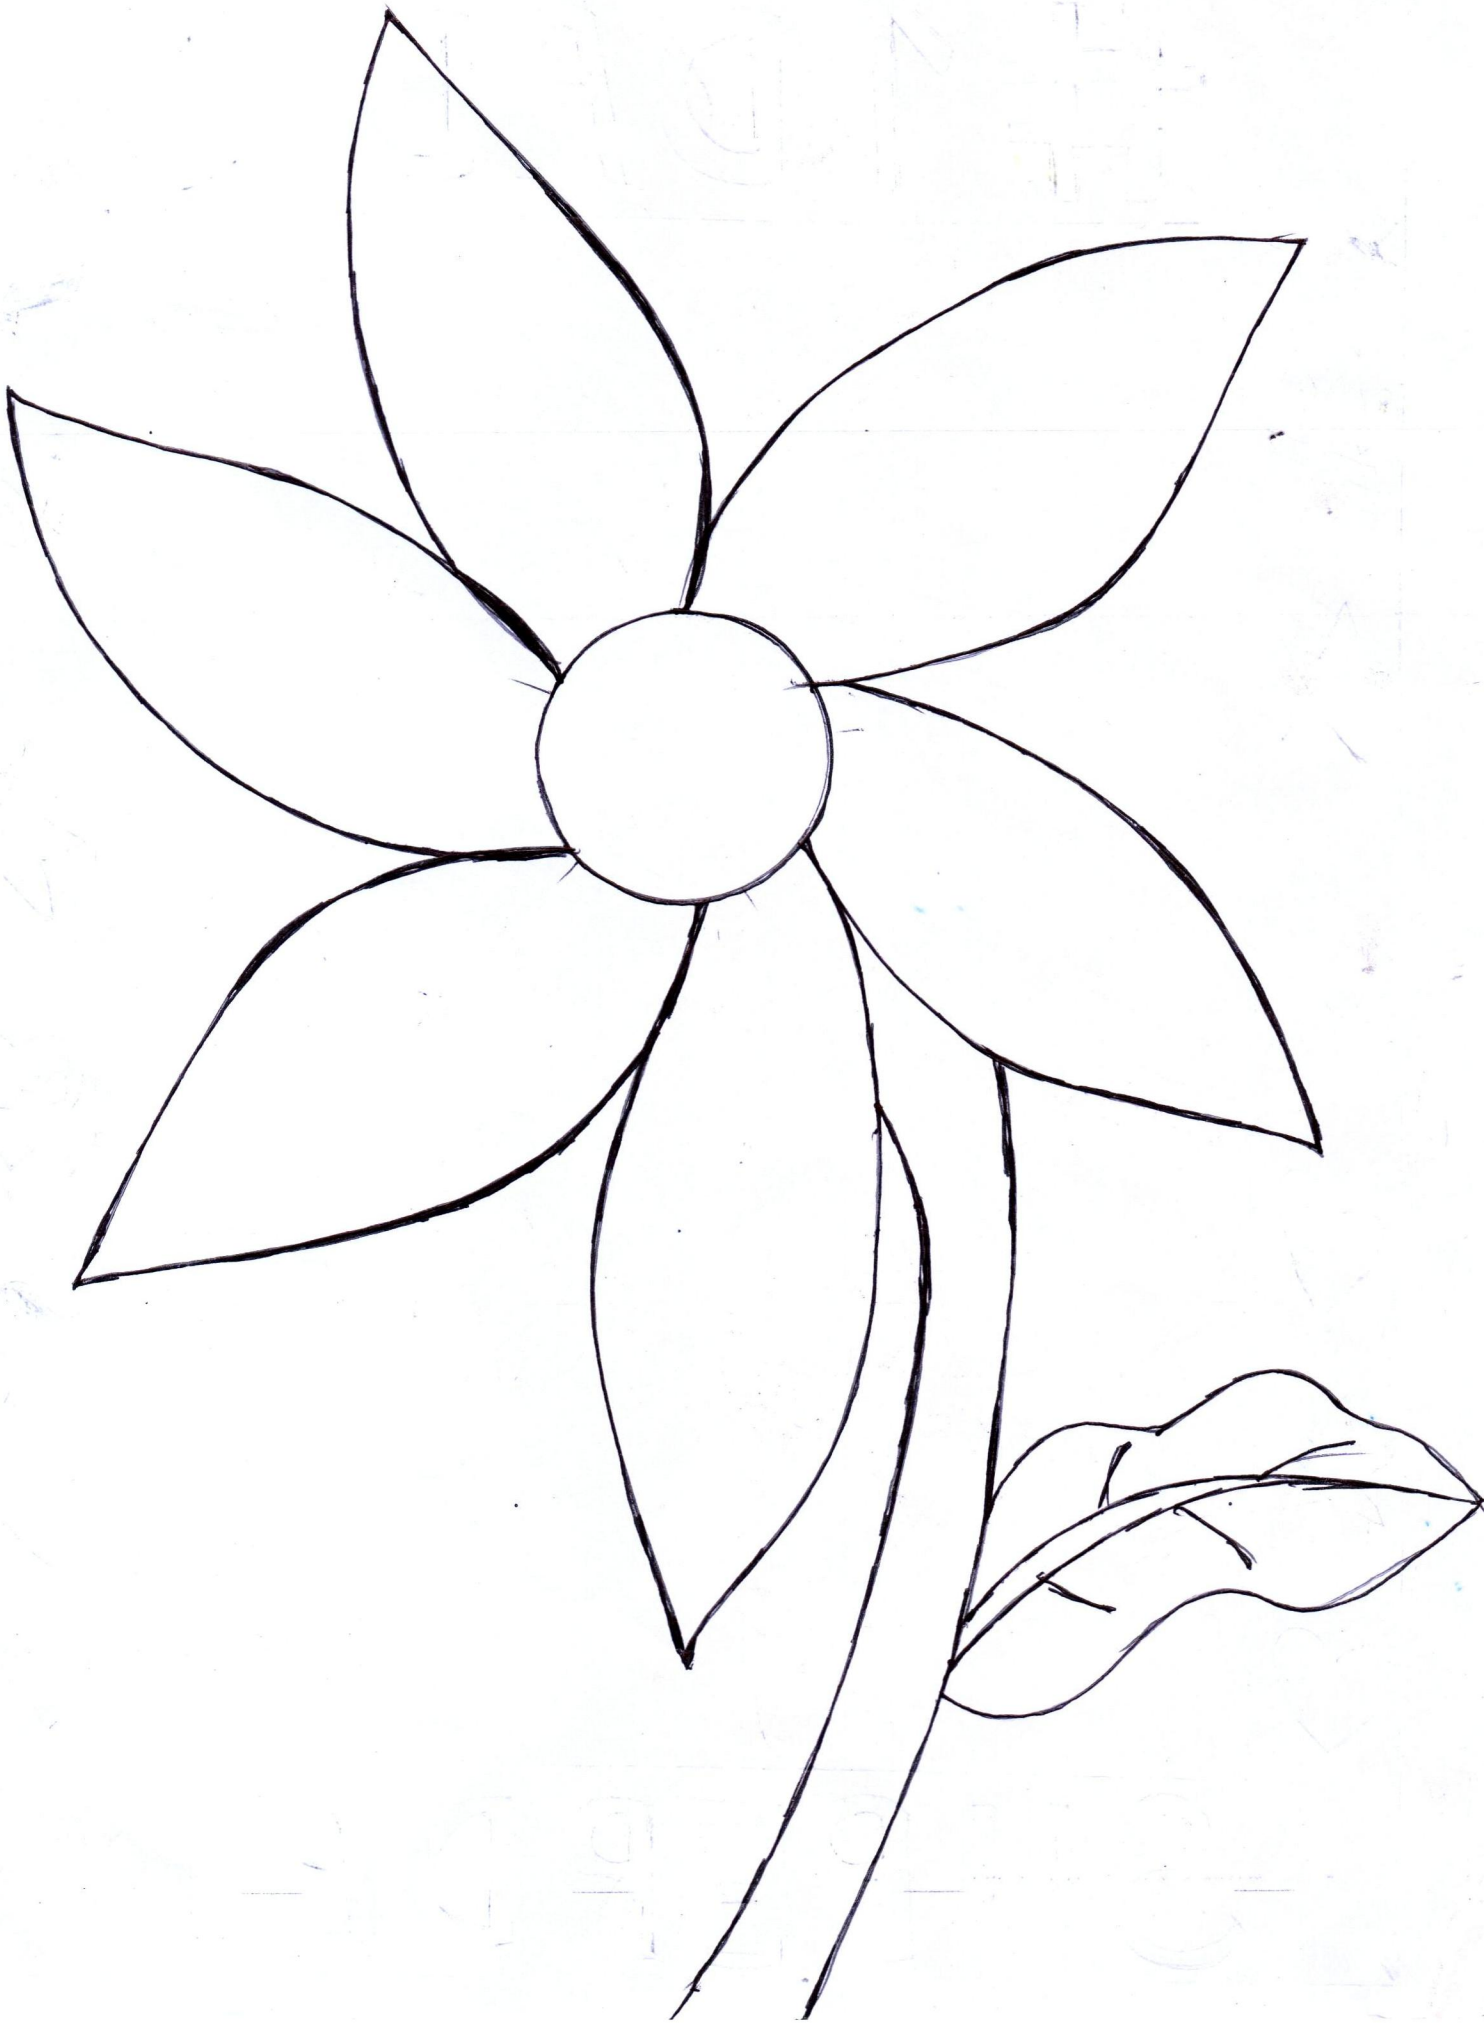

- 3 Look at each pairs of colours. Fill the colour in the given circle that the two will make if mixed together.

Red + Yellow = <input type="text"/>	Blue + Red = <input type="text"/>
White + Red = <input type="text"/>	Black + White = <input type="text"/>
Green + Red = <input type="text"/>	Blue + Yellow = <input type="text"/>

Crumple the colourful paper and paste it inside the given picture.

On the occasion of 'Father's Day', the children will prepare a father's day card for their father, click a photo of that card while giving it to their father, and then paste it below.
