

GURUKUL

INTERNATIONAL SCHOOL

Affiliated to C.B.S.E. New Delhi

Prospectus

GIS ESTABLISHED IN 1997

Over the years, Gurukul International School, has been fostering the conducive atmosphere by promoting educational excellence in the field of academics. It is a Residential/Day school for boys and girls, affiliated to C.B.S.E., for classes Nursery to class XII.

Gurukul International Haldwani, premier day cum residential school, is an English Medium Educational Institution spread over 2 acres in close proximity to Kumaon range with ultra modern infrastructure. The school offers a global platform with perfect blend of technology, values, culture and innovation.

LOCATION

GIS is managed by a team of educationists having 25 years of experience in running schools. It is located on a sprawling pollution free campus in green city Haldwani at Kaladhungi bypass road 5 kms from Haldwani city. It is on the foothills of Kumaon range on way to famous hill station Nainital, Ranikhet, Almora. Jim Corbett Park is also situated nearby.

OBJECTIVES

Besides, imparting learning skills, GIS stresses on the education as the most important instrument for transmission of culture and values. Inculcation of a sense of respect and responsibility in the young minds towards their family, society, country and humanity is our prime objective.

We give individual attention to each child. We ensure multi culture rooted Indian values with emphasis on personal excellence. Every student from Gurukul School emerges as a considerate, accomplished and an aware human being ready to assume responsibility for making a better world.

Mission

- Service to society
- Care of environment
- Building leadership
- Practice of democracy
- Focus on internationalized intelligence
- Encourage adaptability

Vision

- Commitment to Quality Performance and Excellence
- Promote Human Excellence
- The most respectful source of learning and teaching
- Aim->Action->Analyze->Access->Apply

Value Education

- We believe that values are taught. Hence value education is also imparted in moral education periods. Certain values like punctuality, sincerity, love for work, compassion, gratitude, respect for elders, love for nature are woven into daily routine.

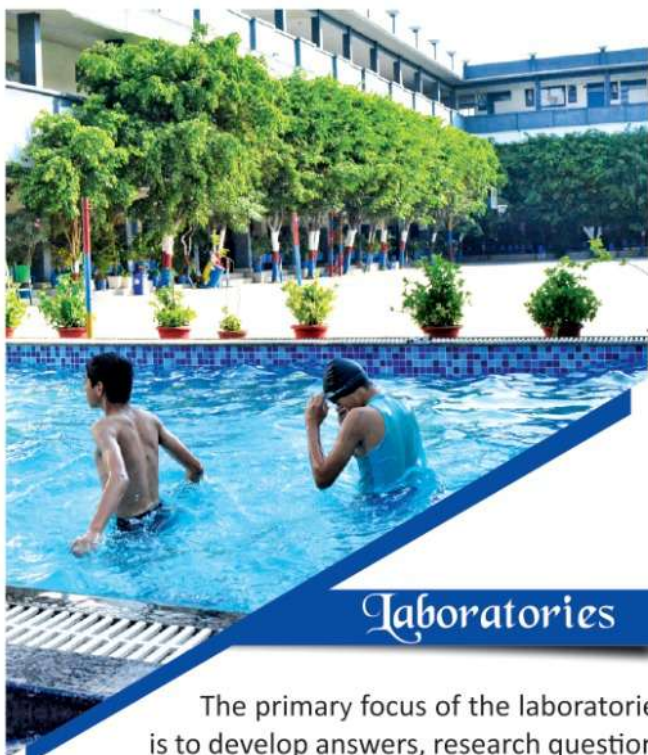

School Environment

GIS is a full fledged residential/day school. The buildings cover a range of administrative block, academic block, well nestled separate hostels for girls and boys, playgrounds and scope for developing life skills and vocational skills. The campus is surrounded with beautiful location. We ensure that the whole school has an excellent learning environment which inspires, excites and celebrates efforts and achievements.

Library

At GIS, Haldwani, we believe library is an essential part of one's learning as it helps in providing information, inculcates ideas and develops knowledge, which is essential for functioning successfully in today's information and knowledge based society. The library serves as a backbone to all academic activities in the school. Our Library houses a collection of text and reference materials, journals, magazine etc. which have been selected from a number of publishers. All the students have direct access to library.

Laboratories

The primary focus of the laboratories is to develop answers, research questions both for energetic materials and other materials. The synthesis of new energetic materials, their testing and performance products are analyzed to provide safety information. The school has well equipped Biology, Physics and Chemistry labs where regular practical's are conducted for all classes from IX onwards. We also have junior science lab to introduce concepts to students for smaller classes.

COMPUTER LABS: With computer education

becoming an essential part of modern day living, it has become the priority of the school to make students and teachers computer savvy. Teachers are given special training in MS Office to bring in more efficiency.

LANGUAGE LAB: Promoting many national and international languages to our students, the school has a unique language lab which is used for training students with correct pronunciations of tougher words. The languages taught through this lab are English and French. We emphasize on -
*ASL, *FLUENCY, *MTI *INTONATION, *VOCABULARY

Transportation

The school provides transport faculties from various nodal points at all its location covering Kaladhungi, Haldwani and Kathgodam etc.

Special Features

Swimming Pool, Yoga Room, Music Room, Horse Riding and Judo Karate.

Extra Marks, Smart Class, Abacus Classes, Early Years Foundation Stage, Indoor and Outdoor Sporting Activities.

Focus on NEP 2020.

Working on 3S - Life Skills, Thinking Skills and Literary Skills.

Cultural Academic Events

We encourage the formation of students' groups and enable a common area of interest where debate, cultural fairs, picnics and tours all ensure that students experience rich, varied and exciting activities.

We involve the children in a variety of spiritual and cultural events as appropriate to their age and development. The curriculum is based on six areas of learning carried out in a holistic topic based programme. These specify goals for children's learning on entering compulsory education.

PERSONAL & SOCIAL DEVELOPMENT

Focuses on children's learning like how to work, play and cooperate with others and mix in a group other than their family.

PROBLEM SOLVING, REASONING AND NUMBER

Focuses on understanding in math's and provides for children's basic needs. Early problem solving activities are introduced.

COMMUNICATION & LANGUAGE

Develops skills in communicating, listening, reading and writing.

KNOWLEDGE & UNDERSTANDING OF THE WORLD

Encourages knowledge and understanding of their environment, other people and features of the world.

Creative Development

Focuses on how children's imagination develops and encourages the ability to communicate and express their ideas and feelings in creative ways. Art, music and imaginative play are a regular feature of the curriculum.

Physical Development

Helps children develop physical control, mobility (different ways of moving around), awareness of space and manipulative skills (ability to handle range of objects both indoors and outdoors).

Smart Class

Gurukul International School is truly a school that operates real smart class that makes learning enjoyable. The school has five year agreement with Next-Education, the future school of India to provide digital learning to the students, the contents of the subject consists of thousand oriented lesson specific 3D and 2D in typical classroom. The educational videos from Eureka and Discovery channel are also available.

At GIS, we help students to achieve the following objectives:

- Reduce dependency on verbal teaching and teachers.
- Provide flexibility of time and space in learning.
- Social equality in education. Enhance quality of education.

Faculty

Our Teachers are selected based on expertise as well as for qualities such as dedication, patience and devotion. Further, they are innovative in making learning a pleasurable adventure. We encourage our teachers to experiment with new methods of teaching both indoors and outdoors which inculcate a desire in the young minds to learn and excel.

Teachers Training Programmes organized at the Teachers' Centre and workshops attended at different venues organized by CBSE are a regular feature and ensure that the faculty keeps abreast with the latest developments in the field of education. The school is committed to increasing its teachers development programmes, both academic and non-academics.

At GIS School, we value our most invaluable resource-our teachers. They, in turn, not only transact the curriculum, but also generate an enthusiasm for learning and questioning, critical disposition.

House Activity

The house system in the school occupies prominent place and plays an important role in the furtherance of cultural and co-curricular activities in the school. Every student is allotted a particular house as soon he/she is admitted to the school. The school has four houses named traditionally - Ashoka, Raman, Tagore and Shivaji with the house in-charge of each house. The idea of the system is to inculcate a sense of competition, cooperation, identity and belongingness. To instill a true sense of leadership, students are given administrative responsibilities such as house captains, vice captains and perfects for the activities. Captains have four broad functions: Assembly, Cleanliness, Display and Discipline.

Hostel Facility

The aim of providing residential facilities at G1S is to provide an environment conducive to study, service and resource that facilitate academic achievements. The accommodation for boys and girls is separate. Beds are available on twin sharing basis. The dormitory is A.C. The facilities include common rooms, indoor and outdoor sports.

ADMISSION

The admission is granted for Classes Nursery to Class XI subject to vacancy existing in particular class. The applicant seeking admission needs to get his/her name registered with school during first week of January. The admission test is conducted on second Sunday of Feb/March at 9:00 AM. The registration form can be had from school office from January onwards to February 10th.

Registration forms for the admission will be issued on the dates announced in advance provided vacancy in particular class exists. Pupils applying for admission are as a rule subject to an entrance test. They are tested in syllabus/courses in the standard below the one to which they seek admission.

Parents applying for the withdrawal for their ward after the 10th of the month will have to pay the fees for the NEXT MONTH ALSO. Transfer Certificate will not be issued unless all dues are cleared.

The boarders will pay fee for 12 months. No student is allowed to convert from Boarders to Day scholars. In case he/she wishes to change will have to pay full boarding fee.

Post Admission Procedure

Once admission is granted you may proceed to deposit the fee and submit the following.

- Three passport size photographs of student
- One photograph of local or authorized guardian
- Three passport size photograph of each parent
- Photocopy of all achievement certificates /T.C. in original with mark sheet of last examination

If the parents would like to withdraw the child after the admission taken, fee will be forfeited by the school.
